Walk Summary:	<p>Please come and enjoy a meal and companionship with fellow members.</p> <p>Followed by the fascinating film "A Walk in the Woods" starring Robert Redford and Nick Nolte, and their epic journey on the Appalachian Trail. We can "visit" some of the beautiful National Parks in the USA and see the stunning scenery they go through, such as the Blue Ridge mountains and Shenandoah River.</p> <p>From the Financial Times review "Bill Bryson's humorous travel memoir about his attempt to hike the Appalachian Trail became a bestseller when it was published in 1997. Now it has been turned into a film starring Robert Redford as Bryson and Nick Nolte as Stephen Katz, two old college friends whose lack of fitness and fear of bears make them comically ill-suited to the challenge. On location: "The Appalachian Trail is the longest continuously marked footpath in the US, stretching 2,180 miles from Springer Mountain in Georgia to Mount Katahdin in Maine. The trail passes through 14 states."</p> <p>The venue is booked, the film is 100 minutes, it should be a great night.</p>
