<b>Meeting Place:</b>	Wan Loy Restaurant 9B Church St, Traralgon	<b>Meeting Time:</b>	6pm dinner 7pm presentation RSVP by Monday 6 <sup>th</sup> May
<b>Activity Summary:</b>	<p>Set in the foothills to the north of the Latrobe Valley, Tyers Park encompasses the Tyers Gorge where the Tyers River winds between steep forested slopes. The park has an abundance of diverse wildflowers and the birdlife, making it a favourite destination for naturalists. Outcrops of limestone and conglomerate are of geological interest.</p> <p>Many in our club will be familiar with the park as walks there have been a regular feature on our calendar, including the annual Wirilda Walking Track.</p> <p><b>Jim Stranger has been a volunteer friend of the park for many years and is going to share his knowledge and experiences with a visual presentation. Whether you have been to the park or not, here is an opportunity to get a deep insight into this wonderful part of Gippsland.</b></p> <p>Please don't forget to RSVP by Monday 6<sup>th</sup> of May – thank you.</p>
