Walk Summary:	<p><i>This walk is by way of a refresher for the Combined Clubs weekend for the Leader and Tail Ender on that weekend. We will meet at the Glenmaggie Hall at 0830 on the Saturday and should return there by about 1530 on the Sunday. Bring all your gear and food, and if the weather looks as if it will produce a Total Fire Ban be prepared for a "NO COOKING" diet. What that will consist of is up to you. The walk is an easy one, consisting of about 5 km. on Saturday and about 4 km on Sunday, with no steep climbs. It is usually cold in the mountains, even in February, so be prepared. We will have an optional scramble down to the base of the Conglomerate waterfall, but don't feel pressured to take part in that.</i></p> <p><i>This walk compresses all that is best in bushwalking into an easy, scenic package.</i></p> <p>Please EMAIL your reply to Oliver with a cc to Evan. This gives us a definite record from you. Oliver is not easy with all the latest MOBILE PHONE gadgetry !!</p>
