| <b>Walk Summary:</b>   | <p>Mount Lookout Bushland Reserve (Wy Yung 117) is a seldom visited reserve and is managed by Parks Victoria.</p> <p>This walk is through semi open forest and old vehicle tracks.</p> <p>After meeting at Bairnsdale we will drive several kilometres to Mount Lookout reserve. The walk commences with a good climb along and old vehicle track before plunging into a small but steep gully. we emerge onto cleared land and head north before re-entering the scrub where we head west before picking up another old track which will eventually lead us back to our vehicles. along the way we will get limited views to the south and the Lindenow Flats.</p> <p>This walk contains several short steep section and areas of bush, some scrub bashing will be required.</p> |  |                       |                          |
