Walk Summary:	<p>We will take off from the Tyers Kinder and drive up the hill to the end of the bitumen road. We then get into the paddocks and walk up the Tyers walking track on an old road line, giving us increasing panoramic views of the Latrobe Valley. We pass around an Olive orchard and then walk into a pine plantation. Here we do a circuit above a deep gully, past two mobile phone towers and eventually return to the Tyers walking track. We will drift down the hill back to our cars and then go to the Tyers Rotunda, where there is an electric BBQ. Bring some BBQ food, and we will have a convivial lunch before returning home. Please reply by email if possible.</p>
