Walk Summary:	<p>This is an easy walk along the rail trail. Because of no car pooling, a car shuffle is not allowed so I think we will start the walk at Bruthen. We head along the river flats towards Wiseleigh, then as we start to head upwards we get fantastic views back over Bruthen and the river flats. We follow the old railway line through farm land and forest. We may even get a glimpse of some of the damage where the fire burnt earlier this year. When we get to the Bumberrah area, or when we feel like it, we will turn around and head back to Bruthen maybe for a late lunch or just a cuppa.</p>
