| <b>Ride Summary:</b>  | <p>The trail heads east from Nicholson through undulating terrain, crossing Harding Creek and Slaughterhouse Creek, gradually climbing to a remnant grassy woodland reserve at the old Bumberrah station site. Heading north, trail users can take in picturesque views of the hilly countryside and green pastures, with views of the Tambo River flats and the remnant timber rail bridge at Deep Creek, Wiseleigh. The trail then edges down into the Bruthen township. There will be ample time for lunch at one of the local eateries if desired. Perhaps a look through the gallery or old wares/vintage shop as well. When we have recovered from our mornings ride, we will retrace our journey back to Nicholson. This will be a relaxed pace and about enjoying our surroundings. Please feel free to join me!</p> <p style="text-align: center;"><b>Please register with the Walk Leader before the day of the walk.</b></p> |  |                            |                  |            |
